#### ADDITIONAL LIMITATIONS

- △ Limited hairstyles for non-binary
- △ Requires well-lit photos
- △ Only generates 30 hairstyles
- △ Temporary data storage

## **Frequently Asked Questions**

### **What is HairstyleAI?**

HairstyleAI is an AI-powered tool that enables users to generate new hairstyles and preview them without having to visit a salon. The tool allows users to upload photos of themselves and then uses AI technology to generate different hairstyles for them to choose from.

---

### **How does HairstyleAI work?**

HairstyleAI operates by having users upload selfies against a plain background, under good lighting and with a natural smile. The AI then generates a diverse catalogue of hairstyles for the user to try out, and provides the output in a set of 120 HD photos showcasing 30 unique hairstyles in 4 different poses.

---

### **Can HairstyleAI generate both male and female hairstyles?**

Yes, HairstyleAI can generate both male and female hairstyles.

---

### **How many different hairstyles has HairstyleAI already generated?**

HairstyleAI has already generated over 155,760 different hairstyles.

---

### **How accurate is HairstyleAI in generating hairstyles?**

HairstyleAI produces the hairstyles with a high degree of accuracy. The generated hairstyles are indistinguishable from real photos, offering a realistic preview of how the user would look in each style.

---

### **Can HairstyleAI generate hairstyles based on different colors, lengths, and styles?**

Yes, HairstyleAI offers a variety of hairstyles based on different colors, lengths, and styles.

---

### **Is there any special discount offered by HairstyleAI?**

HairstyleAI is offering a special discount of 20% off for a limited time.

---

### **How long are my photos stored by HairstyleAI?**

HairstyleAI stores the submitted photos only for the duration of the session, ensuring their subsequent deletion.

---

### **How do I upload photos into HairstyleAI?**

Users upload their selfies to the HairstyleAI platform. It is recommended that the selfies are taken against a plain background, with good lighting and a natural smile.

---

### **How is the user's privacy and data security ensured by HairstyleAI?**

HairstyleAI ensures user privacy and data security by storing the submitted photos only for the duration of the session and ensuring their subsequent deletion.

---

### **Does HairstyleAI also provide different poses for each hairstyle?**

Yes, for every hairstyle generated, HairstyleAI provides 4 different poses.

---

### **How realistic are the hairstyles generated by HairstyleAI?**

The hairstyles generated by HairstyleAI are said to be indistinguishable from real photos, thus providing a realistic preview for the users.

---

### **Is HairstyleAI service available worldwide or only in certain locations?**

Based on the details on their website, it can be inferred that HairstyleAI is a global service.

---

### **How fast is the turnaround time for HairstyleAI?**

HairstyleAI promises a fast turnaround, typically within an hour.

---

### **How do I make a payment on HairstyleAI?**

Making a payment for the HairstyleAI service involves a one-time payment process. The exact mechanism is not explicitly mentioned on their website.

---

### **What are the available haircut styles in HairstyleAI?**

HairstyleAI can generate a wide array of haircut styles including, but not limited to, short curly, bald, blond beach waves, buzz cut, slicked back, undercut, and faux hawk among others.

---

### **What are the available color options in HairstyleAI?**

HairstyleAI has various color options available for the hairstyles including but not limited to blond, ginger, dark brown, grey, platinum blond, and white.

---

### **Does HairstyleAI generate hairstyle for specific hair type such as curly or straight?**

HairstyleAI can cater to different hair types such as curly, straight and more.

---

### **How much does HairstyleAI's service cost?**

HairstyleAI charges a one-time payment of \$9 for its service.

---

### **Does HairstyleAI allow refunds?**

The details on their website do not explicitly mention if HairstyleAI allows refunds. However the website does have a link to a 'Refund' page, suggesting they may have a refund policy.
