- Lack of integrated editing tools
- Dependent on user donations

#### ADDITIONAL LIMITATIONS

- △ Limited to news and videos
- △ Requires custom prompts
- △ Dependent on user input
- △ Not capable of offline use

## **Frequently Asked Questions**

### **What is ChatGPT Phantom?**

ChatGPT Phantom is an advanced AI tool that empowers users to formulate real-time customized news articles and video scripts. The tool functions on robust natural language generation algorithms, helping users to quickly and accurately analyze real-time data and construct informative and easy-to-read articles. The platform is free of ads, devoid of analytics, trackers, and cookies, and does not collect any user information. Furthermore, it is an open-source project, which enables users to...

---

### **What can ChatGPT Phantom do?**

ChatGPT Phantom enables users to create real-time, personalized news stories and video scripts. Users can also bid farewell to creative blocks as they can leverage an integrated search engine function to quickly and effortlessly find the information they need. It also provides script templates for YouTube formats such as tutorials, product demonstrations, and vlogs to aid in content creation.

---

### **How does ChatGPT Phantom generate real-time customized news articles and video scripts?**

ChatGPT Phantom uses cutting-edge AI technology to analyze real-time data and generate custom news articles and video scripts tailored to the user's needs. It utilizes natural language generation algorithms to assemble articles that are both informative and easy to read by drawing relevant information from web data.

---

### **What are the key features of ChatGPT Phantom?**

Key features of ChatGPT Phantom include the ability to generate real-time articles/scripts in various languages, embedded plagiarism checker, and unlimited usage. It doesn't collect any user data and it's completely free, though it encourages donations. It also allows for custom instruction and prompt addition, thereby lending a hand in extended creativity and content diversification for users.

---

### **What templates does ChatGPT Phantom provide for video scripts?**

ChatGPT Phantom offers templates for popular YouTube video formats, which include tutorials, product demonstrations, and vlogs. These templates facilitate users in creating engaging content that stands out from the crowd.

---

### **Why is ChatGPT Phantom free of ads, analytics, trackers, and cookies?**

ChatGPT Phantom is free of ads, analytics, trackers, and cookies to ensure a clean, user-friendly interface. This also enhances the speed and performance of the tool by reducing the load of unnecessary elements on the page.

---

### **Does ChatGPT Phantom gather any user data?**

No, ChatGPT Phantom does not gather any user data. The only information shared with the AI model is the prompts and context provided by the user to generate a response.

---

### **Is ChatGPT Phantom open source?**

Yes, ChatGPT Phantom is an open-source project. It encourages contributions from users, with the intention of broadening the conversational features and capabilities of the chatbot technology.

---

### **Can users contribute to the ChatGPT Phantom project?**

Yes, users can contribute to the ChatGPT Phantom project since it is an open-source initiative. They can be a part of the journey of discovery as the team unlocks the hidden capabilities of ChatGPT by leveraging their expertise to help shape the future of the technology.

---

### **How can I support the ChatGPT Phantom project?**

You can support the ChatGPT Phantom project by making a donation. Donating not only helps support the project, but also contributes to the future of creative writing and artificial intelligence. The 'buymeacoffee' link on their website is a gateway for such donations.

---

### **How can I collaborate with the developer of ChatGPT Phantom?**

To collaborate with the developer of ChatGPT Phantom, users can connect via LinkedIn, as provided on their website. The developer is receptive to business opportunities, project collaborations, or even simple discussions to learn more about their work.

---

### **Who tends to use ChatGPT Phantom most?**

ChatGPT Phantom is most commonly used by copywriters and creators who need to create and publish real-time articles/scripts as fast as Big Media. It assists them in generating novel and engaging content efficiently and effectively.

---

### **In what formats can ChatGPT Phantom generate scripts?**

ChatGPT Phantom is capable of generating scripts in various popular formats that include tutorials, product demonstrations, news articles, and vlogs. With the custom prompt functionality, users can direct the output to suit their specific needs.

---

### **How can I improve my ChatGPT using the ChatGPT Phantom extension?**

The ChatGPT Phantom extension enhances your ChatGPT by providing a unique search engine functionality. This allows for quick and seamless information retrieval to take your writing to the next level. Additionally, by adding a custom prompt inside the instructions, you can concurrently search for YouTube information and command the instructions to write for your prompt, boosting the AI's output.

---

### **How can ChatGPT Phantom aid with YouTube video creation?**

ChatGPT Phantom aids YouTube video creation by providing script templates for a variety of popular video formats, including tutorials, product demonstrations, and vlogs. Users just have to input their desired topic and the AI will do the rest, creating insightful scripts that not only save time but also provide engaging content.

---

### **How frequently are the news topics updated in ChatGPT Phantom?**

ChatGPT Phantom provides up-to-the-minute news on various topics including politics, sports, and entertainment. It uses powerful AI algorithms to scour the web for the latest information, ensuring a constant feed of timely and relevant content.

---

### **Does ChatGPT Phantom include a plagiarism checker?**

Yes, ChatGPT Phantom includes a plagiarism checker feature, ensuring the produced content is original and unique by cross-checking it against the available data on the web.

---

### **How can ChatGPT Phantom help me stay up-to-date with latest news?**

ChatGPT Phantom keeps users up-to-date with the latest news by analyzing real-time data on the internet across a range of topics. It then utilizes natural language generation to draft informative and easy-to-read articles tailored to the user's preferences.

---

### **Can I donate to support the ChatGPT Phantom project?**

Yes, you can donate to support the ChatGPT Phantom project. The 'buymeacoffee' link on their website facilitates such donations and any financial support is appreciated, as it aids in the continued growth and exploration of the capabilities of ChatGPT.

---

### **How does ChatGPT Phantom maintain user privacy?**

ChatGPT Phantom maintains user privacy by being completely free of ads, analytics, trackers, and cookies. It doesn't collect any user data, the only data being shared with the AI model pertains to the prompts and context supplied by the user to generate a response. This ensures that user privacy is upheld at all times.
