Frequently Asked Questions

What is PrettySmart?

PrettySmart is an AI-driven platform for creating social media posts. It simplifies the process of content creation by allowing users to upload their brand collateral and generate brand-aligned designs and copy for their posts. The platform features a user-friendly editor, numerous templates, free stock photos, and a fast and efficient tool that produces hundreds of posts a day.

How does PrettySmart use AI?

PrettySmart applies artificial intelligence in several ways. It uses AI to generate the actual text for social media posts based on a user-provided brief. Additionally, it uses AI in automating the design process. The AI takes into account the brand collateral uploaded by the user - such as logos, fonts, and colors - and produces designs that align with the brand's visual identity.";

What does AI-generated copy mean in PrettySmart?

In the context of PrettySmart, AI-generated copy refers to the text or written content that is created by the platform's AI-driven copywriter. Users provide a brief or outline of what they want to communicate, and the AI copywriter generates the copy for the post in a matter of seconds.";

Does PrettySmart offer free stock photos?

Yes, PrettySmart does offer free access to thousands of stock photos which users can incorporate into their social media posts.

Can PrettySmart really generate hundreds of posts a day?

Yes, PrettySmart's tool is designed to be highly scalable allowing users to create hundreds of posts each day.

How much does a PrettySmart subscription cost?

PrettySmart offers various subscription plans. The Pro level costs \$36.00 per month, and it includes 112 posts per month for 1 brand. The Business level costs \$72.00 per month and allows unlimited posts for 1 brand. The Agency level costs \$299.00 per month, offering custom tools specifically for content creators.

What kind of support does PrettySmart offer?

PrettySmart offers 24/7 support to its users. They can reach out via email to get assistance with any issues or queries regarding the platform.

Does PrettySmart offer a free trial?

Yes, PrettySmart does offer a 7-day free trial for its users, allowing potential subscribers to navigate and familiarize themselves with the platform's functionalities before committing to a paid subscription.

How does PrettySmart ensure brand consistency?

PrettySmart ensures brand consistency by using the user-uploaded brand collateral (logos, fonts, and colors) as a baseline to design the social media posts. This ensures that all generated designs stay aligned with the brand's visual identity.";
