What is Soundraw's pricing plan?

Soundraw offers several pricing options. The personal plans are available in a yearly order of \$16.99/month and a monthly plan with a subscription of \$19.99/month. These plans include unlimited song generation, bookmarking, and up to 50 songs per day downloads. There are also professional plans, such as the Artist Starter at \$29.99/month (for 10 downloads per month), Artist Pro at \$35.99/month (for 20 downloads per month with stems download), and Artist Unlimited at \$49.99/month (for infinite...).

Does Soundraw offer a free trial?

Yes, Soundraw does offer a trial for its plans. Each plan comes with a 'Try for free' option, allowing users to explore the services and capabilities of Soundraw.

Can I use Soundraw's generated music on YouTube without copyright strikes?

Absolutely, the music you generate with Soundraw can be used on YouTube without any fear of copyright strikes. The generated music comes with a royalty-free license that includes use for YouTube.

What is the maximum number of songs I can download per day with Soundraw?

With a personal subscription to Soundraw, you can download up to 50 songs per day.

Do I keep my rights on using the songs even if I unsubscribe from Soundraw?

Yes, you retain the rights to the songs even if you unsubscribe from Soundraw. The license is permanent and does not terminate upon unsubscribing.

How can I use Soundraw's AI to customize a song?

Soundraw's intuitive AI-powered tools allow you to edit and personalize music. You can easily manipulate song structures, shorten intros, rearrange choruses. This enables seamless song customization according to your specific needs.

Does Soundraw have an API for businesses?

Yes, Soundraw provides an API for businesses looking to integrate its AI technology into their products. This allows for rapid generation and customization of songs, with an unlimited download capacity.

What happens to licensing if I unsubscribe from Soundraw?

If you unsubscribe from Soundraw, you still keep the license for all the music you have generated. The license is permanent, therefore it doesn't end with your subscription.

What can I do with the music I generate using Soundraw?

Soundraw empowers you to create unique songs which you can use in various ways including videos, personal songs, social media publications, TV, movies, web ads, corporate videos, live broadcasting, podcasts, radio programs and ads, guided meditations, audio books, music streaming, games, apps, NFT, store BGM, and events.

What platforms can I distribute songs created using Soundraw on?

You can distribute the songs created using Soundraw on various platforms and keep 100% of the royalties. However, the specific platforms are not mentioned on the website.

Can I earn royalties from songs created through Soundraw?

Yes, Soundraw allows creators to earn 100% of the recording royalties from songs they create using the platform.

Does Soundraw offer options for me to edit or personalize the songs?

Yes, Soundraw provides AI-powered tools that allow you to edit and personalize the songs you create. You can shorten intros, rearrange choruses and personalize your song structure with ease.

What genres and moods can AI generate with Sounddraw?

Sounddraw doesn't specify the genres and moods AI can generate on their website. However, given AI's capability, it is reasonable to infer that it can generate a wide range of genres and moods depending on the user's preferences.

Does Sounddraw offer music for videos and projects?

Yes, Sounddraw offers an unlimited generation of royalty-free music that users can use for their videos and projects.

How can Sounddraw help me create unique songs?

Sounddraw uses AI algorithms to generate unique songs according to your needs. This tool makes it possible to create music from scratch, customize existing songs, shorten intros, rearrange choruses and make other alterations for a unique music piece.

Can Sounddraw's music be used for live broadcasting and podcasts?

Yes, you can use Sounddraw's generated music for live broadcasting and podcasts. The royalty-free license covers all these uses.

Can I use Sounddraw's generated music for commercials or ads?

Yes, you can use Sounddraw's generated music for commercials or ads. The license provided by Sounddraw covers commercial and personal use, even in the form of ads.

What is the capacity for song generation offered by Sounddraw?

Sounddraw offers unlimited song generation under its plans. This means that you can generate as many songs as you need in a day as part of your subscription.

What is the scope and limit of the royalty-free license provided by Sounddraw?

Sounddraw provides a royalty-free license for all content created on their platform. This license covers a vast range of uses, including YouTube, Social Media, TV, movies, web ads, corporate videos, live broadcasting, podcasts, radio programs and ads, guided meditations, audio books, music streaming, games, apps, NFT, store BGM, and events. The license remains with users even after they unsubscribe, allowing them to continue using the songs without infringing any copyrights.
