### What It Does

Kling AI is a video generation platform by Chinese tech company Kuaishou that has impressed the AI community with its ability to generate long, coherent videos up to 3 minutes with realistic physical simulations. It supports both text-to-video and image-to-video generation, lip sync, and virtual try-on. Often cited as competitive with or better than Sora for certain use cases.

CONTENT QUALITY

89/100

USEFULNESS SCORE

90/100

## Pros

### + What Works Well

- + Up to 3-minute video generation
- + Excellent physical realism
- + Image-to-video conversion
- + Lip sync support
- + Competitive pricing

## Cons

### - Limitations to Consider

- Chinese company — data privacy considerations
- Some features require credits
- English interface can be limited

---
