− Copyright-free only in Canva

> **ADDITIONAL LIMITATIONS**
>
> ⚠ Limited to Canva projects
> ⚠ No download option
> ⚠ Lack of offline use
> ⚠ Limited music customization

Frequently Asked Questions

What is Muzaic for Canva?

Muzaic for Canva is a plugin tool that employs artificial intelligence to permit users to produce tailor-made music for their Canva videos. It offers the functionality to select a specific mood and adjust its intensity, in addition to regulating parameters such as rhythm, tone, tempo, and variance. Further, users can specify the exact length of the music they want the AI to generate.

How does Muzaic for Canva generate custom music?

Muzaic for Canva works by using artificial intelligence to generate unique music based on the user's inputs. Once a mood and/or music genre is named, the AI system generates a piece of music in seconds. The music is then automatically uploaded to the user's Canva design.

What parameters can I adjust when creating music with Muzaic for Canva?

With Muzaic for Canva, users can regulate certain parameters such as rhythm, tone, tempo, and variance. They can also adjust the intensity and duration of the music, making the final output as customized as they desire.

Does Muzaic for Canva allow me to specify the exact duration of the music?

Yes, Muzaic for Canva has the feature of 'True time adjustment' that empowers users to generate songs of an exact given duration.";}i
